

Azure Free Account : How to Create Azure Free Account

This post covers **Steps by Step guide on how to register For Azure Free Account & how to get azure free trial subscription.**

We will use this **_FREE account** in the future for our upcoming videos on Azure Resources like **Compute, Networking, Storage, Database, Web Services** and etc.

Key Points:

1. You should have a Credit Card, an email address, and phone number.

Azure Free Services

Azure Free Services is designed to reduce the cost of cloud computing infrastructure for small and medium-sized businesses. It offers customers free tier services in order to test new applications and evaluate benefits of cloud computing.

When you start using Azure with a free account, you get \$200¹ credit to spend in the first 30 days after you sign up. In addition, you get free monthly amounts of two groups of services: popular services, which are free for 12 months, and more than 40 other services that are free always.

You will be provided with:

1. **€170 or \$200 free credit** for the duration of the first month. When your first month ends, the credit expires and you will be asked to choose one of the available subscriptions. We will talk about them soon.
2. **12 months of popular services for free.**
3. **25 services independently for free.** Offer might differ in different regions.

Limited Time Free Azure Account

Limited Time Free Azure Account is an awesome offer to try the Microsoft cloud services solution. Get popular services free for 12 month then continue to use it at 50% discount with Azure credit. Starting with USD200* Azure credit, you can build, deploy and scale your applications across different platforms including web apps, mobile back-ends and big data solutions.

Free for 12 months is a limited time offer that you can use to try paid Azure services without having to pay. With this offer, you can use any of the 40+ Azure services free for 12 months at no charge and receive USD200* on your first invoice.
